## QUESTIONS:

Is the OEM part number listed below? If yes, please continue with Fleetrite hood number listed. If not, please answer these questions:

1. What is the make, model and year?
2. What is the length of the hood? Measured straight down the center to the grille opening (as pictured below).
  - › If the length is 55 inches, has Hinge Bushings 41 inches apart, onlaid grille and year is within 1996-2002, you need: **FLTHCENC1202**
  - › If the length is 55 inches, has Hinge Bushings 6 inches apart, onlaid grille and year is within 2003-2005, you need: **FLTHCENC1201**
  - › If the length is 55 inches, has Hinge Bushings 6 inches apart, without fiberglass bar and year is 2005 and up, you need: **FLTHCENC120**

## HOODS

(1996-2002)

### FLTHCENC1202

OEM Part Number:  
A17-12701-002, A17-15420-000

- 1996-2002
- 41" hinge bushings
- Onlaid grille
- Round headlights

(2003-2005)

### FLTHCENC1201

OEM Part Number:  
A17-13154-000, A17-13154-004,  
A17-13154-006, A17-15365-000

- 2003-2005
- 6" hinge bushings
- Onlaid grille
- Round headlights

(2005 and up)

### FLTHCENC120

OEM Part Number:  
A17-15092-002, A17-15092-007,  
A17-15092-008, A17-15092-010

- 2005 and up
- 6" hinge bushings
- Without fiberglass molding
- Torsion bar spring and larger chrome overlay grille
- Will not fit DD15

## BUMPERS

## QUESTIONS:

Is the OEM part number listed below? If yes, please continue with Fleetrite hood number listed. If not, please answer these questions:

1. What is the make, model and year?
2. What is the length of the hood? Measured straight down the center to the grille opening
3. Ask for a picture of the inside hood
  - › If the air cleaner connector is on the passenger side, you need **FLTHCOL3PC**
  - › If the air cleaner connector is on the driver side, you need **FLTHCOLRTM3**

## HOODS

RTM Bonded in 3 Pieces  
(2001-2007)

### FLTHCOL3PC

OEM Part Number:  
A17-16515-000, A17-16515-002

- 2001-2007
- Teardrop headlights
- Will not fit with short hood
- Lower horizontal air duct below grille
- Air cleaner connector on passenger side

## What is RTM?

*Resin Transfer Molding is a manufacturing process for a smooth finish*

RTM Bonded in 3 Pieces  
(2008 and up)

### FLTHCOLRTM3

OEM Part Number: A17-13575-001, A17-13575-005, A17-13575-006, A17-13575-007, A17-15064-001, A17-15549-000, A17-15549-002, A17-16515-000, A17-16515-002, A17-16953-000

- 2008 and up
- ForAir cleaner connector on the driver side
- DD15/16 LT engine
- With gas recirculation

## QUESTIONS:

Is the OEM part number listed below? If yes, please continue with Fleetrite hood number listed. If not, please answer these questions:

1. What is the make, model and year?
2. Is the hood an M2 106 or M2 112? The M2 112 has two grille sections: larger on top and smaller on bottom.
3. What is the length of the hood? Measured straight down the center to the grille opening
  1. If the hood is 39" long, it is an M2 106 and four versions are available, listed below.
  2. If the hood is 43 1/2" long and has two grille sections, it is an M2 112 and four versions are available, listed below.
4. Does the hood have lights with a chrome bezel around?
5. Does it have a lower fiberglass band extension under the lower edge of the hood?

### Flat Windshield

**FLTDL04586PK1** (1 Pack)  
**FLTDL04586PK4** (4 Pack)

OEM Part Number:  
403339C1

# International 7000 Series

PARTS  
Hood

## QUESTIONS:

Is the OEM part number listed below? If yes, please continue with Fleetrite hood number listed. If not, please answer these questions:

1. What is the make, model and year?
2. What is the length of the hood? Measured straight down the center to the grille opening (as pictured below).
3. If the hood does not have a spacer under the grille, you need **FLTH737475**
4. If the hood does have a spacer under the grille, you need **FLTH7677**

## HOODS

Modified Design, Spacer Under Grille  
for Models 7600/7700

**FLTH7677**

OEM Part Number:  
2585821C93

- Set forward axle
- Square headlights
- 2003-2007

Modified Design, No Spacer Under Grille  
For Models 7300/7400/7500

**FLTH737475**

OEM Part Number:  
3593649C2, 3537839C1

- Set forward axle
- Square headlights
- 2003-2007

# Kenworth T2000

## QUESTIONS:

Is the OEM part number listed below? If yes, please continue with Fleetrite hood number listed. If not, please answer these questions:

1. What is the make, model and year?
2. What is the length of the hood? Measured straight down the center to the grille opening (as pictured below).
3. If length is 61 1/2" and year is 1999-2010, you need **FLTHKENT2000**

## BUMPERS (2005-2016) \*see next page for 1996-2004

### FLBTB2000P5

### Left Air Dam FLBTB2000LP5

### Center FLBTB2000CP5

### Right Air Dam FLBTB2000RP5

## HOODS

OE Design, 61.5"  
(1999-2010)

### FLTHKENT2000

- Hood is separate from bumper
- 1999 to 2010

## LIGHTS (1998-2010)

Left Headlight

**FLTHLKWT2000L**

OEM Part Number: P54-1056-2

Right Headlight

**FLTHLKWT2000R**

OEM Part Number: P54-1056-2R

## BUMPERS (1996-2004)

Fiberglass

**FLTBT2000P**

- *Lightweight aerodynamic design*

Right Air Dam

**FLTBT2000RP**

## QUESTIONS:

Is the OEM part number listed below? If yes, please continue with Fleetrite hood number listed. If not, please answer these questions

What is the make, model and year?

1. What is the length of the hood? Measured straight down the center to the grille opening
2. Is the windshield flat or curved?
  - a. Curved windshields: see below
  - b. Flat windshields: see next page
3. Does the hood have external air breathers?
4. Does the hood have full or short fenders?
5. How many bolt holes for the hinge mounting?

Additionally: Request a picture of the inside of the hood to differentiate inner reinforcements (see images below)

**Use the information gathered above to select the appropriate part from the specifications below**

## HOODS (for curved windshield)

60" (1996-2007)

**FLTHKENT800CW**

OEM Part Number:  
K1461326, K1461295,  
K1461325

\*For 120 BBC only  
\*Will not fit hood with  
external air breather

53" (1996-2007)

**FLTHKENT800S**

OEM Part Number:  
K1461328, K1461329,  
L22910081033

\*For 112" BBC only  
\*3 bolt holes for hinge

60" with Plastic  
(1996-2007)

**FLTHKENT800CWP**

OEM Part Number:  
L2911021220000,  
L2911771210000

**\*Metton replacement hood**  
\*For 120 BBC only

60.5" with Short Fenders  
(1996-2007)

**FLTHKENT800SF**

60.5" with External Air  
Breathers (1996-2016)

**FLTHKENT800CWF**

OEM Part Number:  
K1461306, K1461307

\*3 bolt holes for hinge  
\*Fender extension has  
notch for breather

60.5" with External  
Air Breathers  
(2010-2016)

**FLTHKENT800FP**

OEM Part Number:  
L29-11771210000SPL

**\*Metton replacement hood**  
\*5 bolt holes for hinge

## HOODS (for flat windshield)

64" (1987-2007)  
**FLTHKENT800FW**  
 OEM Part Number:  
 K1461031, K1461052

\*Will not fit  
 wide hood  
 with single  
 head lamp  
 \*Will not fit  
 high hood

64" with External Air Breathers  
**FLTHKENT800FWF**  
 OEM Part Number:  
 K1461062, K1461074

Confirm fit prior to painting, painted parts  
 cannot be returned

## BUMPERS

Right Extension  
 without Fog Light  
 (1998-2004)  
**FLTBT800RP**

Center (1998-2007)  
 Aluminum: **FLTBT800A**  
 Steel: **FLTBT800CP**

Left Extension  
 without Fog Light  
 (1998-2004)  
**FLTBT800LP**

Fiberglass with Fog Light  
 (1987 and up)  
**FLTBT800P**

Fiberglass without Fog Light  
 (1987 and up)  
**FLTBT800NLP**

## QUESTIONS:

Is the OEM part number listed below? If yes, please continue with Fleetrite hood number listed. If not, please answer these questions:

1. What is the make, model and year?
2. What is the length of the hood? Measured straight down the center to the grille opening (as pictured below).
3. Is the windshield curved or flat?
  1. If flat → Length of hood should be 71" and the part you need is **FLTHKENW900LF**
  2. If curved → Length of hood should be 66"
    - If the original hood is from 1994-2002 and is made of regular fiberglass, the part you need is **FLTHKENW900LC**
    - If the original hood is from 2002 and up and is made of plastic, the part you need is **FLTHKENW900LCP**

## HOODS

### For Flat Windshield

71", Dual Breather  
Cutouts (1994-2016)  
**FLTHKENW900LF**  
OEM Part Number:  
K146-1138, K146-1135

### For Curved Windshield

66" (1994-2002)  
**FLTHKENW900LC**  
OEM Part Number: K146-1326  
66" (2002-2016)  
**FLTHKENW900LCP**  
OEM Part Number: L29-010002

## BUMPERS

Rectangular with Lights, 18.25"  
**FLTBW900S**  
OEM Part Number: MA0510210-06

Note: Confirm fit prior to painting.  
Painted parts cannot be returned.

Grille  
Lights  
Bumper

## QUESTIONS:

Is the OEM part number listed below? If yes, please continue with Fleetrite hood number listed. If not, please answer these questions:

1. What is the make, model and year
2. What is the length of the hood? Measured straight down the center to the grille opening (as pictured below).
  - If length is shorter than 56", it is a medium duty truck, not a VNL truck
  - If length is 55 3/4" or 56", it is a VNL truck
3. If the year is 2003 and up, and the length is 56", you need **FLTHVVNL3G**
4. If the year is earlier than 2003, and the length is 55 3/4", you need **FLTHVVNL**

## HOODS

VNL

(1998-2002)

**FLTHVVNL**

OEM Part Number:  
20377848,  
20377850

- 1998-2002
- Rectangular breather on right side

- 2003 and up
- Modified design

VNL 3<sup>rd</sup>  
Generation  
(2003 and up)  
**FLTHVVNL3G**

## BUMPERS

One Piece Fiberglass

**FLTBVNL3P**

3<sup>rd</sup> Generation  
(2003-2016)  
**FLTBVNL3P**

Note:

To confirm whether or not the truck is 3<sup>rd</sup> generation, look at the side air intake: If it has the shape of a boomerang or hockey stick, it is a VNL 3G
